Elysian

Vancouver best favourite brand is brought to you now by Kawa. Enjoy a cup of unforgettable cup of Elysian espresso in the shop or purchase a package of beans to take home

Intelligentsia

Intelligentsia has three cities it calls home: Chicago—where the company was originally started; Los Angeles and New York.

And now you can enjoy Intelligentsia coffee at Kawa Espresso Bar and

also purchase beans to brew it at home.

Monsoon Medley

This coffee is a light roast, low acid, stomach friendly Arabica coffee. The unique monsooning process was discovered when shipping beans from India to European ports in wooden ships; the humidity would be absorbed by the beans producing this unique flavor and low acidity.
